**RIVERSIDE COUNTY SUPERIOR COURT TO INTRODUCE NEW CASE TRACKING SERVICE**

**RIVERSIDE COUNTY:** The Riverside County Superior Court is pleased to announce a new service that will allow subscribers to receive automatic e-mail notifications when a hearing is scheduled or a document is filed in civil and criminal cases. The service will eliminate the need to manually inquire regarding actions taking place in these cases.

Individuals, law firms, and organizations can subscribe to an annual account to track civil and criminal cases of interest. E-mail notification will be provided on the next business day each time hearings are scheduled or documents are filed.

When viewing a case through the internet, an icon will appear that enables the user to subscribe and track the case. The first time a case is selected for tracking, the user will be: 1) instructed electronically how to enroll, 2) asked to select an option for the maximum number of cases to be tracked, and 3) pay for the service through use of a credit card.

Second and subsequent cases chosen for tracking will add to the customer's list and notifications will be provided on all selected cases. Notifications will be sent to one e-mail address per subscription.

Please note that family law and juvenile cases are excluded from this program.

The court accepts Visa, MasterCard, Discover, and American Express in order to enroll. A receipt with a confirmation number is available for printing upon subscription.

The annual subscription rates for case update notifications are \$100 for up to 25 cases and \$250 for up to 100 cases.

The program will be introduced on Monday, February 4, 2013.
